DETAILED ACTION

1. This action is responsive to the amendment, filed 2003-10-14.
2. The disposition of claims is: claims 1, 3-13, 15-25, and 27-42 are pending as filed.
Claims 1, 9, 13, 21, 25, 33, and 40-43 are independent.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

4. Claims 1, 3-13, 15-25, and 27-42 are rejected under 35 U.S.C. 102(e) as being unpatentable over Vihuber (U.S. 6,470,453)

Vihuber discloses a computer-implemented system, method, and apparatus for providing access to an account of a second party substantially claimed including:

receiving identification information associated with a first party (client first connection) that does not contain an authenticator of the second party (second connection);

Art Unit: 3628

based on the identification information, receiving an account information that defines a right of the first party to access account data associated with the account of the second party (316);

accessing the account information of the second party based on the account information session manager (124); and

enabling the first party to access the account of the second party based on the account information (abstract).

Response to Arguments

5. Applicant's arguments with respect to claims 1, 3-13, 15-25, and 27-42 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR

Art Unit: 3628

1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

7. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-1065.
